Internship Experience

- **ByteDance TikTok Shop** **E-commerce Strategy Intern, Southeast Asia** **2025.10 – 2026.04** **Shanghai**
 - **Defined e-commerce product requirements:** addressed content-localization inefficiency and high reproduction cost for cross-border sellers; prioritized AI short-video translation and one-video-for-multiple-markets scenarios, wrote the BRD, co-designed the GTM with tech and operations; set a 5pts penetration-uplift target for new-seller tools, rolled out across 5 SEA markets.
 - **Built a data-driven cold-start selection mechanism:** upgraded manual selection to a scoring framework centered on sell-through potential and an automated SOP; covered 400M sellable SKUs across 5 markets, screened 14k high-potential items weekly, cut selection time from 4 hours to 20 minutes, with cold-start sell-through significantly improved.
 - **Advanced the Sales Accelerator merchant-growth system:** handled task tiering, voucher incentives and budget configuration, drove 5pts penetration uplift for active cross-border sellers' tools; followed up on multi-country voucher-over-limit anomalies and closed the loop with tech and operations; covered 880k merchant stores.
- **Jaguar Land Rover** **Commercial Strategy Intern** **2025.06 – 2025.09** **Shanghai**
 - Completed China used-car market strategic research, covering transaction scale, circulation efficiency, export dynamics, policy drivers and competitors' certification systems.
 - Analyzed NEV used-car value retention using battery-degradation slope, technology-iteration speed and residual-value metrics, benchmarked leading competitors' certification and residual-management practices, identified whitespace for vehicle manufacturers to enter, with findings directly supporting the China-region CFO.
- **OC&C Strategy Consultants** **Project Intern** **2025.05 – 2025.06** **Remote**
 - Participated in consumer-sector projects (sportswear, senior care, pet food); completed industry data collection, competitive-landscape mapping and growth-driver analysis; supported opportunity identification, market-entry judgment and decision materials; compared growth logic across 3 tracks.
- **Meritco Consulting** **Business Consulting Intern** **2024.10 – 2025.02** **Shanghai**
 - Built an LLM-powered literature screening and extraction workflow, screened 500+ English papers in 3 days, distilled 60+ insights on user decision journeys and platform conversion models, forming a theoretical framework for business analysis covering dual-sided review and platform governance.
 - Led the milk-base selection analysis for premium coffee, compared fresh-milk-syrup blends vs formulated milk, provided quantitative evidence across 6 dimensions (scale cost, product-strategy linkage, marketing synergy, brand positioning, store and supply-chain strategy).
- **Guolian Securities Research Institute** **Research Intern, Internet & Media Team** **2024.03 – 2024.06** **Shanghai**
 - Tracked education policy, AI and Meitu etc. consumer-internet tracks; completed industry research, peer benchmarking, data worksheets and charts; produced 20+ daily/weekly reports and meeting minutes supporting investment-lead tracking and thematic reports.

Project Experience

- **2024 Guanghua Case Competition (Business Management, National 3rd Place)** **2025.02 – 2025.04** **Shanghai**
 - Researched NEV-industry involution using SCP and PEST to decompose market structure, firm behavior and industry performance with four-dimension causes; structured three breakout paths (tech innovation, supply-chain vertical integration, going global); produced a 15,000+ word report and a 15-page defense deck.
- **P&G CMK Campus Elite Express Program** **2025.01 – 2025.03** **Shanghai**
 - Based on the shopping-task theory (i.e. transaction decision journeys) and the DPSM model, conducted a two-stage college shopping-behavior study, built personas via surveys, qualitative interviews and desk research, pinpointed core shopping tasks; built a channel shopping-task—needs-matching matrix, identified daily-chemical retail opportunities across distribution, promotion-value perception, efficacy communication and urgent-need response, led a 12-minute mid-term presentation.
- **2024 Oliver Wyman Case Competition** **2024.04 – 2024.05** **Shanghai**
 - Built a market-size—consumer-profile—competitive-dynamics framework for Chinese beauty brands going global, deepened SEA skincare research; produced a 100+ data-point workbook and a 20-page deck proposing product, marketing and channel strategies.

Activities

- **FACES Stanford China-US Student Forum** **2025.12 – 2026.01** **Stanford**
 - Engaged in youth exchange and panel discussions on international politics, cross-cultural communication and China-US relations, understood diverse user backgrounds, expression styles and consumption habits; all sessions in English, sharpening cross-cultural communication and English collaboration.
- **23rd AEBS Asia Elite Business Scholars Exchange** **2025.07 – 2025.08** **Seoul**
 - Exchanged with 17 students from NUS and other universities, visited the Korea Exchange and talked with Web3 founders; compared subscription vs ad-supported streaming on ARPU, cash flow and user retention, covered platform, creator and user perspectives.
